School gates

As a safeguarding measure, the gates to the carpark will remain closed during the school day.

They will be closed at 9am and opened again at 3.05pm when a member of staff is on gate duty.

Only cars displaying a blue badge are permitted into the car park. The gates will be closed but not locked and we would be grateful if you could shut them again if you arrive or leave after they are closed.

We would appreciate your support with closing the pedestrian gate next to the carpark gates please.

Reading support

Thank you so much for your support with hearing your child read at home. Lots more home reading going on across the school and most children are bringing their signed reading diaries to school every day.

Dinner money

Please can all parents ensure school dinners are paid on SchoolMoney online or using the barcodes some of you prefer, on the day a dinner is required or for the week in advance.

Swimming for Year 4 and 5

Please can swimming money also be paid using SchoolMoney. Your contributions of £2 per session enable us to continue to offer swimming. Please ensure swimming kits are sent in with your child every Thursday morning and brought home the same day.

Magical Macmillan

Thank you to everyone who attended our Macmillan Coffee Afternoon in support of the incredible work Macmillan nurses do.

Our families did us proud with an outstanding selection of gorgeous cakes. Well done to FONS for organising such a great afternoon and also to our very professional Year 5 waiters and waitresses.

This was definitely our best Macmillan event yet. The money is being counted by our FONS treasurer and we will let you know the grand total soon.

Football club

Pupils are really enjoying football club this term. Our new coaches from Mousehole Club have been putting our players through a range of drills and exercises!
