Updated guidance – Coronavirus

Dear Parents

We have been advised to put the following in place from today:

- All imminent school trips to be cancelled in line with government advice concerning groups and distancing. This is to include swimming, PE events and such like.
- Children should be collected outside of the school building to reduce footfall from external people to the school environment. **This means that parents must not enter the school but remain in the playground.**
- **Minimise external visitors and volunteers** to only those considered necessary
- All school productions/fayres/parent consultation evenings to be postponed until further notice
- To be on the safe side, we request that all pregnant women either arrange for someone else to collect their child/children **or** collect their child/children at 2.45pm. Please park in the car park and ring school so we will bring your child down to you. In the morning please arrive at either 8.30am or 9am to avoid contact with other parents.
- In line with other schools, we are sending home work-packs with your child today to use in the event the school is closed in the future.

Until the Government give the instruction to close schools please follow the information above to keep the whole community as safe as possible. For further information regarding Corona virus see <https://www.nhs.uk/conditions/coronavirus-covid-19/> Thank you very much for your understanding and continued support at this very difficult time.

Kind regards

Isabel Stephens

We are collecting this personal information from you for the purposes of providing an education to your child and need to process data for the purposes of complying with a legal obligation or performing our public function. You have rights in relation to your personal data and these are set out in our privacy notice available at www.newlynschool.co.uk
