14th May

Summer term 2018

Message from the Head

I hope you all enjoyed the sun over the bank holiday weekend. There are a lot of healthy faces and burnt backs in school this week!

I have only been here a short while but I already need to say goodbye to one of our teachers. Mr Hyde in Year 5 has a new job and will be leaving us at the end of the summer term. He will be hugely missed by us all but we wish him the best of luck in his new school. Mrs Wood will be taking Y5 next year and Mr Jane will be staying with us in Y2.

I would like to welcome two new children to the school. Jessika has joined our Y5 class and her sister Eliza has joined Y1.

Our virtue is respect and the children are thinking about ways to show respect to those around them. They will be learning about the fact that we are all different and we need to respect those differences.

We have had quite a sporty two weeks. Huge congratulations to our rugby team who have made it through to the next competition in Redruth later this month. Mr Moore and Mr McNeill have been training the team to help them prepare properly and I would like to thank them for giving up their time. We also entered a local football tournament and it was lovely to be able to enter both a boys and girls team. The children all played really well and are looking forward to having the opportunity to play more games together. Thank you to all the staff and parents who supported the children in both tournaments.

SATs breakfast

A hearty cooked breakfast set the relaxed but excited tone of "Smash the SATs" week. One hundred per cent commitment, enthusiasm and excellent behaviour over the revision period, we are very proud. Thank you to Chris for his excellent breakfast.

Thank you to FONS

A huge shout out of thanks to all parents who supported the FONS coffee afternoon, and to the wonderful FONS ladies. They raised an incredible £153.17 from the event. A big thank you for the donations & supporting both events.

Our attendance stars are...

Year 1
with 99%

Last week, we launched our 10 minutes a day reading campaign in assembly. We need to get every child reading for at least ten minutes a day to ensure that they are getting the vital practise that they need.

Year 6 are Reading Champions and will be helping to mentor the younger children about the importance of reading daily at home for ten minutes or more.

If you find a logo disc out and about, take a photo of ANYTHING reading - related and please share; your child reading, you reading, a cover of your favourite read, anything at all and join in to spread the word! #10minsadaynewlyn. Then take the logo back out and about and pass it on.

Summer fayre preparations

Just a reminder to start collecting jars ready for the Summer Fayre.

Remember, only jam / coffee or similar jars please... we had to throw out a lot of jars last year as they were all contaminated by pickle or curry smells!

For those who are new to the school, we fill a jam jar with something lovely (toys, colouring pencils, sweets, craft items), decorate it and it will go on the win-a-jar stall. The more, the merrier. Ask your friends and family to donate one too!

Summer Fayre stalls

If you would like to hire a stall for 6th July, please contact Claire or Kirsty at FoNewlynS@yahoo.com

Collaboration with Newlyn Art Gallery

Class 4 were invited to take part in two workshops organised by the Newlyn Art Gallery, and run by Falmouth University. One session was looking at robotics, while the other was about creating their own ipad games - programming. The children thoroughly enjoyed both sessions and also had a picnic lunch in the park.

Date for your diaries

Friday 18th May – School Photographs

Reminders

Sunhats and sun cream

Please can all children bring in a named sun hat and have sun cream applied before school. The weather is getting hotter and we need to ensure children are protected and safe. As I'm sure you all know, the sun is very strong, sunburn greatly increases the risk of skin cancer.
