Autumn term 2017

What a great start to the autumn term

Our autumn term projects have got underway with some exciting launch events.

Year 6 discovered the genius of Brunel and the beauty of Bristol as part of their project on inventions. Year 2 had an inspiring day at Exeter University's Penryn Campus on Tuesday. They handled exotic creatures, had a tour of the campus including their huge library, incredible gym and beautiful gardens. Lastly, Year 2 got to go in the geology department's new interactive sand pit, which created mountains and flowing rivers as they played! There are lots of inspired children in Year 2 who are eager to go to university when they are older! Meanwhile, Year 3 explored their transport of the past and future project, with a train trip to St Ives.

Other exciting events next week include: Year 1 going wombling around school on a huge litter pick and Year 2's science day where they can dress up as scientists in white lab coats.

Facebook

Do join our Newlyn School Facebook page as it is a great way to keep in touch with what is happening at school. We post photos, news and information on events. **PLEASE NOTE:** this is an information sharing page and we cannot answer individual questions in the evenings. Please see your class teacher with questions.

Year 1 and Year 6 also have their own Facebook groups which parents of those classes can join.

Virtue of the fortnight

You are practising **cooperation** when you...

- Work well with others
- Offer your help and ideas freely
- Disagree peacefully and respectfully
- Follow the rules
- Ask for help when you need it
- Help keep a safe, happy environment

Affirmation

I am cooperative. I respect the rules. I work and play well with others. I keep myself and others safe.

New Newlyn children

We are excited to welcome 26 new children to Foundation this week along with their families. The children are having a wonderful time in their magical classroom.

Many children enjoyed their first school dinner yesterday and ended the week with a whole day at school.

We have some other new families who we are pleased to welcome too, with children across the school.

Newlyn School is a wonderful community and if you would like to get more involved you could join our Friends of Newlyn School (FoNS). Please ask your teacher for more information.

Attendance

Well done Year 1 for amazing attendance in the first week of school with 99%.

Lateness

Most children are arriving at school by 9am which is fantastic. It is really important that children arrive at school on time and minutes late will be recorded in the office.

Arrival after 9am will be recorded as a late on the register.

Arrival after 9.30 will be recorded as a whole morning's unauthorised absence.

Gorgeous bags and prints for sale

If you would like to buy one of the bags or prints made by the current Year 3 children last term, please let your class teacher know. They are really lovely and designed and printed by our children. The bags are £6.50 and the prints are £5 each.

Music lessons

For those who are new to the school, music is a big part of our school life. We are the cheapest school around for lessons and we also loan instruments for free. We have an enormous range of instruments for a primary school and there is an opportunity for all children to learn an instrument. Please chat to Miss Fitzgerald in Year 6 if you are interested.

Bags 2 school... we are collecting all used clothes, paired shoes, coats and belts to raise money for FONS. Bags out soon.
