

# Safer Internet Day will be on the Tuesday 9th February 2021

Safer Internet Day 2021 will be celebrated in the UK  
with the theme:

## An internet we trust: exploring reliability in the online world

This year, Newlyn School, along with many other schools across the UK, will be celebrating Safer Internet Day through exploring reliability online. The internet has an amazing range of information and opportunities online, but how do we separate fact from fiction?

At the beginning of the week, there will be an introductory assembly for all the children, with some follow up activities. It would be lovely everyone can join in for this.

On **Tuesday morning at 11am** the children will be asked to sign into the **BBC Live Internet Safety lesson**. There will be activities for the children to complete as they are watching.
