

SCHOOL GAMES VIRTUAL COMPETITION 2020/21 PROGRAMME

The aim of this programme is to provide meaningful inclusive competition for all pupils and schools, until we are able to return to face to face events.

COMPETITION STRUCTURE

Each competition will run over a whole week to ensure all pupils and year groups can take part during their PE lesson or extra-curricular provision. Each competition will have resources cards for the teacher/young leaders and a result link. This is a competition across all our schools and we will have points table for some added competitive fun. This will also enable schools to record intra and inter school competitions for the School Games Mark.

PE LEADS/TEACHER

Each week the PE lead will need to share the Virtual Competition email with the relevant links and resource card to the class teacher as a reminder. The class teacher can decide when the pupils take part in the challenge. All the class teachers/assistants need to do is complete the results sheet link for their class, this will be shared during each week during competitions.

SCHOOL GAMES VIRTUAL COMPETITION 2020/21 PROGRAMME

REGISTRATION

Once you have registered your interest for an event, you will receive the following:

- Entry Form Link
- Resource with details on the format
- Results Link

RESULTS

You will need to complete your results using the results link sent to you once registered. Once all the results are completed, we will email the results to award pupils: bronze, silver or gold. Certificates will be emailed to schools to award to each pupil who took part.

On the results form, you will also have the option to award one student who took part in the event, with a Spirit of the Games Award. This is for someone who has shown excellent Determination, Passion, Teamwork, Honesty, Respect or Self Belief.

Results must be uploaded by the Friday at 3pm, any results received after this time will not be included.

If you have any further questions, please contact your SGO.
