27 May 2022

Summer 2022

It has been so lovely getting back to school trips and activities, although very hectic! I cannot believe that we are already getting to the end of May. Sadly, I need to share that our very lovely Deputy Headteacher, Mr Argall, has come to the difficult decision to leave at the end of the summer term. He wanted to explain his reasons himself so please see his message below. However, we are delighted to let you know that we will be welcoming Mrs Smith from Mousehole School as our new Deputy Head. We are also saying good-bye to our much loved Mrs Leah. It is time for Mrs Leah to retire and to take sometime to herself but she will be hugely missed by us all. Thank you Mrs Leah for all you have done for Newlyn School over the years. You will be missed!

Trip to the Minack

Our Y4, Y5 and Y6 children absolutely loved their trip to the Minack where they watched Calvino Nights Show. Thank fully the sun shone for them.

Message from Mr Argall:

After an amazing year at Newlyn, I've come to the difficult decision that I will be leaving at the end of the summer term. With a young family, I've made the choice to step back from school leadership and the unique pressures that it brings. The children and staff at Newlyn are brilliant and if I was able to, I would have happily stayed at Newlyn for a long while yet. But I know my young girls will be very happy to have a little more of me at home. Thank you everyone for what has been a brilliant year.

The hatching of chicks

During the term we received some eggs and our Foundation children were delighted to watch them hatch. We had to give the chicks back to the farm last Friday, but not before the children were given the opportunity to hold them.

Pasty Making

As part of their DT curriculum, Year 5, learned how to crimp pastry. They were shown by Chris Perks and then they used this skill when making their own pasties. Their pasties may look traditional, but they are all individual and have a range of fillings. These will be cooked for the Jubilee Picnic.

Y1/2 Class trip

The children enjoyed the afternoon in the woods, as a treat for winning the weekly attendance award 5 times. They talked about the different species of trees, searched for mini beasts and made homes for them. They loved playing hide and seek.

Leavers' Service and Show

Our Year 6 show and Leavers' Service will take place on Thursday 21st July, 4pm-5.30pm. All Year 6 parents are invited.

Year 4 Trip

Year 4 have had an excellent day at Feardon Farm. The rain did not stop them enjoying themselves. They were all very brave and got up close with lots of different types of animals.

Sport

Our Y1/2 class thoroughly enjoyed their afternoon at Penwith College where they were given the opportunity to take part in lots of different sporting activities.

Queen's Jubilee

Our Foundation children have enjoyed a wide range of Jubilee activities this week.

Attendance Matters!

Congratulations to Year 5 who achieved 97.8% attendance for last week.

Medicine in school

Unfortunately, only prescribed medications are allowed into school with a completed and signed medicine form (available from the office).

Term dates:

Half term: 30th May– 3rd June

Last day of summer term: Friday 22nd July, 1pm finish.

Next year classes and teachers:

Foundation: Miss Tonkin and Mrs Buckingham

Y1: Mr Moore

Y2/3: Mrs Squires

Y3/4: Mrs Smith

Y5: Mrs Wood

Y6: Miss Rollason

Cake sale

Thank you to everyone who made cakes for the cake sale and thank you to everyone who bought and ate them! FONS managed to make £57

Pizzas

Class 1-2 children made pizzas this morning in preparation for the Friday parent picnic. They had a great time. Many thanks to Chris in the kitchen for preparing and enabling the children to do this. Food technology is a part of the children's design and technology curriculum.

Uniform

Please can we remind you that children should not be wearing hoodies in school. School sweatshirts should be navy and with the school logo. We also have a number of children coming to school in trainers and leggings once again, which is not school uniform. Please let the school know if there is a reason your child needs to wear trainers rather than school shoes. Please do let us know if you need any help with school uniform– we are here to help.

Headteacher Award

Congratulations to the children who received the Headteacher Award last

Y2/3

Y2/3 have been studying how shadows are formed which has linked to their work on Giacometti's sculptures.
