Strategy aims for disadvantaged pupils

Measure	Activity
Priority 1	Ensure all disadvantaged pupils can have access to adults who are specifically trained to support development of their individual needs and that there is a consistent approach to the teaching of phonics across the school.

	<ul style="list-style-type: none"> - Continue to undertake training in specific intervention to ensure consistency with a focus on phonics reading and writing in 2021-22.
Priority 2	Work with the TPAT maths lead and maths hub to embed Teaching for Mastery though out the school, ensuring maths lead has dedicated time and interventions are run by specifically trained TAs/teachers.
Priority 3	Focus on language acquisition to support children overcome language difficulties and aim to close the vocabulary gap by employing a member of staff to focus on individual children and small groups and to develop the whole school approach.
Barriers to learning these priorities address	Ensuring staff use evidence-based approaches to teaching interventions
Projected spending	£42,000

Targeted academic support for current academic year

Measure	Activity
---------	----------

Priority 1	<p>Small group supported reading to support all disadvantaged pupils to access whole curriculum.</p> <p>All disadvantaged pupils to have reading comprehension support focused on VIPERS in every year group</p> <p>Disadvantaged pupils in Years 4, 5 and 6 to have support sessions weekly in small groups or on an individual basis with designated reading champion.</p> <p>Phonic reading support for all disadvantaged pupils who may not pass the phonics test in autumn Y2.</p> <p>Continue to invest in good quality texts to ensure consistency in KS1 and encourage a love of reading in KS2.</p> <p>Ensure all relevant staff have received training to deliver Letters and Sounds effectively and monitor this.</p>
Priority 2	<p>Continue to embed whole school maths strategy ensuring a consistency of approach across the school.</p> <p>Dedicated time for maths coordinator</p> <p>Establish small group maths interventions for disadvantaged pupils falling behind age-related expectations and to challenge more able disadvantaged pupils.</p>
Priority 3	<p>Appoint TA with a specialism in speech and language</p> <p>Training in the Nuffield Early Language Intervention for all EYFS staff.</p> <p>Language intervention to take place using NELI for 20 weeks</p> <p>Individual and small group language support for identified children and those with special educational needs where language delay has been identified.</p> <p>Speech and language support for children with delayed speech to support phonics and early reading skills.</p> <p>Training for identified staff on oracy and vocabulary to support whole school approach to the teaching of vocabulary</p>
Barriers to learning these priorities address	<p>Enabling wider reading for all disadvantaged pupils.</p> <p>Access to longer and more challenging texts for all disadvantaged pupils with a focus on development of vocabulary.</p>

	Access to inspirational environments to support broadened cultural experiences within the locality and beyond to support writing.
Projected spending	£42,000

Wider strategies for current academic year

Measure	Activity
Priority 1	Funding for EWO SLA to reduce PP attendance concerns with dedicated time for Attendance Coordinator.
Priority 2	Enrichment support for PP to access music lessons and other educational opportunities such as surfing lessons and trips.
Priority 3	Trauma Informed Schools support for children who have experienced trauma or are struggling with anxiety through small groups or 1:1 sessions.
Barriers to learning these priorities address	Attendance at school is lower for FSM pupils across the school. The cost of music lessons and enrichment activities in school is limiting access. Children who have experienced trauma or are feeling a high level of anxiety are unable to fully access learning opportunities and it has led to poor behaviour and school refusal.
Projected spending	£23,000

Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching	Ensuring there is a consistency in the approach to teaching phonics, reading and maths.	Training and monitoring of phonics, reading and maths to focus on consistency. Consistency across classes in resources and books available.
Targeted support	Ensuring enough time for school English and Maths leads to support small groups and members of staff	English and Maths leads to have designated time to do this and additional hours allocated as overtime if necessary.

Wider strategies	Engaging the families where attendance is poor.	Work closely with the EWO and have a clear and consistent approach to poor attendance beginning with support and meetings but leading to court action where necessary.
